Re: *Lindner v. Court Security Officer (CSO) Newell, et al.*  
11 Civ. 8365 (AJN) (MHD)

Dear Judge Nathan:

This Office represents the Federal Defendants in the above-referenced lawsuit, in which Plaintiff is pursuing *pro se* claims under the Federal Tort Claims Act and *Bivens*. On March 26, 2013, this Court issued an Opinion and Order dismissing this case as to both the Federal Defendants and the CSO Defendants. On April 15, 2013, this Court issued an Order denying Plaintiff's motion for reconsideration. Plaintiff has since filed a document titled, "Motion to USDJ Nathan Regarding AUSA Unsuccessful Intent to Deceive," in which he renews his prior allegations that attorneys in this Office and the USMS have acted unethically in litigating this case. We write respectfully not because these allegations — which are entirely baseless and which this Court has previously disregarded — merit a response, but because we are uncomfortable allowing such allegations to remain on the docket unanswered. Accordingly, we write only to underscore that we stand behind the positions we have taken in this case and absolutely reject any suggestion of improper conduct.

Because this case is now closed, absent a request from the Court, we will not respond to any further filings by Plaintiff. We respectfully request that this letter be docketed.

Respectfully submitted,

PREET BHARARA
